RELEVANT EXPERIENCE

UW Center for Labor Studies, Seattle — *Student Assistant*

October 2020 - PRESENT

At the Harry Bridges Center for Labor Studies, I performed a variety of management tasks with UW staff and leadership to enable growth and further our mission of expanding the study of labor issues at UW.

Roosevelt @ UW, Seattle — *Director of Operations and Outreach*

January 2020 - PRESENT

At Roosevelt @ UW, I oversaw plans for development by introducing undergraduate students at the University of Washington to a student-led public policy think tank.

Hillsboro Debate, Nashville — *Founder*

August 2018 - March 2020

At Hillsboro High, I founded, organized, and orchestrated the policy debate team with the Nashville Urban Debate League, later earning scholarships and city-wide awards.

EDUCATION

University of Washington, Seattle — *Bachelor's Degree*

I am currently pursuing my bachelor's degree at the University of Washington, studying Economics with an interest in Data Science and International Studies. I expect to graduate in Spring 2024.

PERSONAL PROJECTS

Shoaiblaghari.com — Static portfolio website with blog, writing, and code redirects. Made using *ReactJS*, *Bootstrap*, *GatsbyJS*, and more.

International Foods — Nonprofit business to change the way we approach food insecurity in developing countries. An idea in the making.

Other applications — *Andrew* (to maximize work efficiency), *Blackjack* (in Java, for fun), and more. See more at github.com/shoaib19
